## **Professional Development Credits for SLPs** From ASHA. For more information: https://www.asha.org/certification/profdevelopment/

This continuing education activity is eligible for 3 Professional Development Hours, meeting the ASHA Clinical Certification Standards definition of "professional development" as an instruction activity

- where the certificate holder is the learner;
- that is related to the science or contemporary practice of speech-language pathology, audiology, or the speech/language/hearing sciences;
- that results in the acquisition of new knowledge and skills, or the enhancement of current knowledge and skills necessary for independent practice in any practice setting and area of practice;

- where the certificate holder is responsible for determining that the professional development activity is appropriate, relevant, and meaningful to any practice setting and area of practice;
- in which the certificate holder's <u>attendance can be documented</u> by a third party such as an employer, educational institution, or sponsoring organization.

Learners must attend all 6 sessions to receive 3 PDHs.

## **Documentation of Your Activities**

Learners must keep the following documentation:

- copy of a certificate of completion/attendance
- title of the course or activity
- name of the sponsoring organization
- date(s) of attendance or completion
- number of professional development hours earned

If your chosen activities do not provide this documentation, you may use the <u>Verification of Attendance Form</u> to keep track of the hours.

Your professional development should reflect your selection of <u>acceptable activities</u> and be documented using <u>reporting units</u> called professional development hours (PDHs), formerly certification maintenance hours (CMHs).
